

The McLean County Board of Health
Thursday, May 21, 2020, 5:30 p.m.
Government Center
115 E. Washington, Room 404, Bloomington, Illinois.

AGENDA

Amended to add description to items 4 and 5 Amended to change location to the above.

1. Call to Order

2. Roll Call

3. Public Participation

NOTE CHANGE: To promote health and safety, we encourage the public to follow the Gubernatorial 'shelter in place' Executive Order. Therefore, in addition to standard (in-person) public comments at the McLean County Board of Health meetings, we will accept public comment via email as an option for this meeting.

Individuals or groups can email statements to the Administrative Support Specialist at health@mcleancountyil.gov by Wednesday May 20, 2020 at 5:30 pm.

Statements received by the deadline will be read aloud as part of the record, pursuant to the time parameters in McLean County Board of Health Bylaws (individuals, three minutes; groups, five minutes).

The entirety of the statement will be placed in the official minutes, even if the statement reads longer than the time limit allows.

We take very seriously the Centers for Disease Control and Prevention (CDC) recommendations to socially distance and the Governor's Executive Order 202010, wherein no more than ten people can convene in one place. We encourage you to submit your public comment via email.

If you choose to provide comment in person, requests must be received by McLean County Health Department by Tuesday, May 19, 2020 at 5:30 pm to health@mcleancountyil.gov. Upon submission, you will receive written instructions regarding how to enter the Government Center (which is now closed to the public). McLean County Board of Health rules allow for a total maximum of 15 minutes allotted during each meeting. Public comment and the emailed comments will proceed in the order in which they are received.

Finally, the public will be able to view the McLean County Board Meeting, live, on Facebook and YouTube. Links can be found at <https://www.mcleancountyil.gov/>

4. Discussion Items

- A. Review plans to reopen Illinois during the COVID-19 pandemic: Restore Illinois, Heart of Illinois Reopening Plan, County Board Member Erickson's Plan
 1. Health Department role and capacity

2.Recommendations for the County Board

5. Action Items

- A. Approve recommendation to the County Board regarding the proposed plans for reopening Illinois during the COVID-19 pandemic.

6. Adjournment

	Restore Illinois (1)	Heart of Illinois (1)	Erickson Plan (1)
Metrics	<ul style="list-style-type: none"> • Ability to test 10,000 tests per day statewide • Testing available in region for any symptomatic health care workers & first responder 	<p>A weighted system</p> <ul style="list-style-type: none"> • Healthcare system (40%) • Public health (30%) • PPE (15%) • Community Engagement (15%) 	Health Department assessment of hospitals' capacity to treat
How we move forward	<ul style="list-style-type: none"> • Slowing of new case growth • Availability of surge capacity in adult medical and surgical beds, ICU beds, and ventilators 	<p>For 3 consecutive weeks have met the criteria in at least 3 areas</p> <p>Healthcare Capacity</p> <ul style="list-style-type: none"> • <75% of total ICU beds in use • <50% total of ICU beds in use for COVID-19 patients • <75% total of ventilators in use • <50% of total ventilators in use for COVID-19 patients • <30% of total admissions related to COVID-Like-Illness (CLI) <p>Public Health Capacity</p> <ul style="list-style-type: none"> • <10% positivity rate • >90% of COVID-19 confirmed cases tracked within 36 hours by LHD • Downward trajectory of new cases <p>PPE</p> <ul style="list-style-type: none"> • 5 days of PPE available within Healthcare systems, first responders, congregate living settings <p>Community Engagement</p> <ul style="list-style-type: none"> • <65% of alternative housing in use • >90% business, congregate & LTCF completing assessments 	<p>14 days at Phase 1</p> <p>Hospitals admissions below capacity to treat</p>

		<ul style="list-style-type: none"> Average one standard deviation for healthcare workers & first responder absenteeism 	
What's Open	<ul style="list-style-type: none"> Essential businesses Essential gatherings of 10 or fewer Child care in groups of fewer than 10 for essential workers 	<ul style="list-style-type: none"> Most businesses at a 50% of allowed occupancy Parks and trails Non-contact sports per venue guidance Indoor swimming pools for lap swimming only Outdoor venues <50 people Indoor venues <100 occupancy (concerts, sports) Schools, childcare, daycare per state or federal standards 	<ul style="list-style-type: none"> Retail, restaurants, bars at a 50% of allowed occupancy Daycare at 50% capacity Personal care salons (hair, nail, massage); professional services (banking, accounting) limit customers by appointment when possible Places of worship occupancy reduced to ensure social distancing Game rooms, agriculture, manufacturing, construction, service industry, parks, golf courses, campgrounds-maintain social distancing Gyms, exercise facilities-maintain social distancing and utilize protective screens for employees when possible
