To calculate a first-time permit fee with a 40% surcharge in column 5 that is paid after 6-30, add the surcharge amount calculated for the entire year to the ½ of the annual permit fee. The amount of the surcharge is indicated in column 4.

Regular “Seasonal” permits are one half of the annual fees.

Temporary Food:

- Class J Temporary Food - \$25 late fee if application is received less than 5 business days prior to the event.
- Any temporary food establishment found to be serving food without an approved permit application will be charged two times the corresponding Class J permit fee.
