McLean County Health Department (MCHD) Activities

- Coordinating with the McLean County Emergency Management Agency to lead an Alternate Housing Coalition to ensure that housing is available to isolate, quarantine or protect vulnerable populations during the COVID-19 response
- Coordinating with community partners to increase COVID-19 testing, including the use of a mobile testing unit to provide testing outside of Bloomington-Normal
- Training staff to support COVID-19 testing sites in McLean County
- Hiring staff to support increased contact tracing, including a Project Director, Epidemiologist, Contact Tracing Supervisor and Contact Tracers
    - https://il-mcleancounty.civicplushrms.com/careers/Jobs.aspx
- Supporting Phase 4 of 'Restore Illinois'
    - https://www.dph.illinois.gov/restore
    - https://dceocovid19resources.com/restore-illinois/restore-illinois-phase-4/
- Assisting McLean County school districts and institutes of higher learning to plan for the fall semesters
- Collaborating with community partners to distribute face covering to vulnerable McLean County residents through the 'Take Cover' initiative
- Receiving and responding to complaints regarding social distancing and face coverings, which have increased during Phase 4
